Dear Rhoberta:

Thank you for sharing your time with the Executive Women's International (EWI) Group and speaking about the topic "Getting Your Life Lined Up".

I am sure the EWI group will agree with me that we all had an opportunity to examine our lives to see where we fit on the scale and realize that we have room to grow. The quote that sticks in my mind is "Are you doing more bailing than sailing?" It has motivated me to deeply examine where I am and where I want to be.

Thank you again for speaking to our group. Your approach was refreshing and fun and we could all relate to the topic "Getting Your Life Lined Up".

Sincerely,

Lynda Blake
